United States of America and Commodity Futures Trading Commission v. State of Minnesota, et al., Case No. 26-cv-2661 (KMM/DTS);
QCX, LLC v. Keith Ellison, et al., Case No. 26-cv-2841 (KMM/DTS)

Dear Judge Schultz:

On behalf of all Plaintiffs in the above-referenced matters, I write to request a one-day extension to submit Plaintiffs' objections to Defendants' discovery plan, which are due today pursuant to the Court's October 19, 2026 Order (*see, e.g.*, Case No. 26-cv-2778, ECF 67). There is good cause for this extension because, due to today's unexpected global Outlook outage, Plaintiffs have been unable to finalize their joint submission.

Plaintiffs contacted Defendants about this request by telephone but have not yet been able to connect. Thank you for the Court's consideration of this request.

Very truly yours,

/s/ Holley C. M. Horrell
